Kolby J. Ray

My name is Kolby Ray, I am 27 years old, and I am a graduate student at Grand Canyon University. My life goal is to own a private therapeutic practice where I will help others with their mental health and become their ideal selves. I learn fast, I am honest, and I work hard. Pictured below is me with my wife Maren.

2020- Present

Paraprofessional

Washington County School District

I help at risk students complete the necessary requirements needed to receive their high school diploma. This includes any current classwork or make-up work in various subjects such as math, English, history, science, and life skills. In addition, I work with many students on a personal level who are struggling with different kinds of mental disorders such as depression, anxiety, and trauma.

2020-Present

Pawnbroker

Cedar Post Pawn Inc.

I work as a pawnbroker on weekends and during school breaks. My daily tasks include lending money based on collateral, selling merchandise, and keeping the shop clean and presentable.

2015-2020

Assistant Manager

Coral Cliffs Cinema 8

I was the manager of human resources and employee affairs. I oversaw hiring new employees and ensuring that they receive the proper training. I took part in board meetings where we discussed performance, budget, and plans for the future. When on shift, I oversaw up to 12 employees at a time. When applicable, I would mediate employee conflicts to ensure a healthy work environment.
